

LUNKERS & BUNKERS

Tournament Rules

ALL REGULAR GOLF AND COURSE RULES APPLY

Golf "Scramble"

- Each team member will take a shot from the tee, except when fishing at one of the 4 designated fishing holes.
- The team selects the best shot and then plays all subsequent shots within a club length of where the chosen ball came to rest.
- This format continues until the ball is holed out or the team reaches a bogey.

Fishing

- There are 4 designated fishing holes where one member from each team will have 8 minutes to catch as many fish as possible.
- The 8-minute countdown begins when one of the three remaining team members tees off.
- The fish caught will be measured in inches and rounded to the nearest tenth. The total length of fish caught from all 4 fishing holes will then be converted into strokes deducted from your team's scorecard.
