

LUNKERS & BUNKERS

Tournament Rules

ALL REGULAR GOLF AND COURSE RULES APPLY

Golf "Scramble"

- Each team member will take a shot from the tee, except when fishing at one of the designated fishing holes.
- The team selects the best shot and then plays all subsequent shots within a club length of where the chosen ball came to rest.
- This format continues until the ball is holed out or the team reaches a bogey.

Fishing

- The designated fishing holes are where one member from each team will have 8 minutes to catch as many fish as possible.
- The 8-minute countdown begins when one of the three remaining team members tee off.
- The fish caught will be measured in inches and rounded to the nearest tenth. The total length of fish caught from all fishing holes will be converted into strokes and deducted from your team's scorecard at the final scoring during lunch.
